Get Relief From Spinal Pain Without Surgery

If you are suffering from debilitating back pain, AdventHealth offers a wide range of physical therapy services designed to ease symptoms, and forgo medical imaging exams and spinal surgery. Our highly skilled team of physicians, physical therapists and care coordinators work together to evaluate your condition and create a proper plan of treatment. In many cases, physical therapy can reduce or eliminate your pain, improve your strength and flexibility, and restore your normal range of movement.

Physical Therapy & Rehab Services

Our Spine Care Team

Physical therapy is usually the best place to start when treating spinal pain. If you need more extensive care, we have a vast network of radiologists, orthopedic surgeons and neurosurgeons to take care of you. Plus, we offer some of the most advanced, minimally invasive surgical procedures and interventions to treat serious spinal injuries and conditions.

• Care coordinators
• Interventional radiologists
• Massage therapists
• Neurosurgeons
• Occupational therapists
• Orthopedic surgeons
• Pain-medicine specialists
• Pain psychologists
• Physical therapists

80% OF THE ADULT POPULATION WILL SUFFER FROM LOWER BACK PAIN AT SOME POINT IN THEIR LIVES.
